Dress Uniform Buying Guide

2019-2020

These dress uniform items are required for each band. Our bands have long used JC Penney for dress band uniforms. The three closest stores are currently in Lynnwood, Tukwila and Marysville, and of course online: JCP.com. Black dress pants worn for Concert, Symphonic and Wind Ensemble also worn for Jazz Band. All bands require black socks (if worn) and black dress shoes. Two options for girls Black Pant and Boys Jazz Band shirt. Jazz Band Girls shirt same type as white bands shirt, just black. **Please note: some links do not take you to the correct color, please verify the color selection is accurate before purchasing.** Potential Discount Suggestions on next page.

Potential Discount Suggestions

It is not possible for IHS to secure a “guaranteed price” on any of our uniform items. Prices vary widely. Most of the time, the price on the tag in the store is not necessarily what you pay at the register. Here are some tips that may help you reduce the cost.

1. Use a JCP store credit card to be eligible for the BEST sale prices! If you don't have one, JCP will be happy to have you apply for one. For example, JCP credit card users are offered 20% off during certain sale times.
2. Use a JCP Rewards loyalty card every time you shop. This is a loyalty points card, not the credit card. Users earn 1 point for every \$1 spent on qualifying purchases, and points earn you store credit (example: Spend \$100 in a month and earn \$10 credit).
3. Shop weekends. Best sales in-store and online are usually weekend Doorbuster sales -- usually from 3 pm Fridays to 1 pm Saturdays. Check newspaper ads and JCP.com for sale announcements.
4. Use coupons. Find them at JCP.com and in newspaper ads.
5. Compare online sale prices to in-store prices. Sometimes online sales are better; sometimes in-store prices win out. Purchase some items in the store and others online to maximize your savings.
6. Go to the store once to try on items and write down size selections, then shop both online and in-store to snag all the best sale prices.
7. Ask JCP store clerks for tips on getting the best prices and combining coupons and offers. They know how to navigate the complex system.
